## FOR IMMEDIATE RELEASE

### CLOSURES SCHEDULED IN MALIBU

**MALIBU** – The California Department of Transportation (Caltrans) announces intermittent closures of one northbound lane on Pacific Coast Highway, between John Tyler Road and Puerco Canyon Road, starting Thursday, October 13 and ending Monday, October 31, from 9 a.m. to 3 p.m., for utility work. Caltrans has issued encroachment permits to Southern California Edison and Verizon for this work.

One southbound lane on Pacific Coast Highway, between Malibu Pier and Las Flores Canyon Road, will be closed Tuesday, October 18, from 10 a.m. to 3 p.m., to replace utility poles. Caltrans has issued an encroachment permit to Southern California Edison for this work.

One southbound lane on Pacific Coast Highway, between Las Flores Canyon Road and Big Rock Road, will be closed Thursday, November 3, from 10 a.m. to 3 p.m., to replace electrical transformers on a pole. Caltrans has issued an encroachment permit to Southern California Edison for this work.

Caltrans advises motorists to “**slow for the cone zone.**”
